ICOP DIGITAL APPOINTS NEW DISTRIBUTOR IN MIDDLE EAST

LENEXA, KS – (PR NEWSWIRE) – January 28, 2009 – ICOP Digital, Inc. (NASDAQ: **ICOP**), an industry-leading company engaged in advancing digital surveillance solutions, today announced the Company has appointed DDIT, a registered Saudi company, as its exclusive distributor for pending and future business opportunities in the Middle East. DDIT has provided the funding and political support for pending projects in the Kingdom of Saudi Arabia for over a year, and now expands its relationship with ICOP to provide leadership for sales and technical support of ICOP products in the Gulf Region. DDIT, and its related companies, do business with public safety markets throughout the Middle East, and have extensive real estate holdings around the world.

Sheik Mohammed Bin Khamis, President and CEO of DDIT stated, “We are honored to have the opportunity to work more closely with ICOP. Our potential for success with the technology that ICOP brings to us is enormous. Their dedication to high quality products and evidence security is the reason we selected ICOP.”

ICOP cancelled the agreement with Nurizon Corporation, its former distributor in the region, on January 27, 2009 due to irreconcilable contract violations.

Laura Owen, President and COO of ICOP Digital stated, “Our expanded relationship with DDIT enhances our opportunities in the Kingdom of Saudi Arabia and throughout the Middle East. DDIT, and the Saudi prominent family and group behind the company, are highly respected in the Arab world and the Middle East. We are very fortunate to have the opportunity to work with this outstanding company and family.”

Safe Harbor Statement

This document contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are subject to risks and uncertainties that could cause actual results to vary materially from those projected in the forward-looking statements. The Company may experience significant fluctuations in future operating results due to a number of economic, competitive, and other factors, including, among other things, our reliance on third-party manufacturers and suppliers, government agency budgetary and political constraints, new or increased competition, changes in market demand, the performance or reliability of our products, our ability to draw funds and meet obligations under the new line of credit, and our ability to regain compliance with Nasdaq listing standards. These factors and others could cause operating results to vary significantly from those in prior periods, and those projected in forward-looking statements. Additional information with respect to these and other factors, which could materially affect the Company and its operations, are included in certain forms the Company has filed with the Securities and Exchange Commission.
